# STAVANGER C1000

## Classic with new look

The Red Dot winner from 2019 has been further improved with additional features! As the little brother of the XL1000, the compact design of the C1000 offers enough space for a clear arrangement of various emergency items up to a 2-liter oxygen bottle.

As part of our continuous optimization efforts, we have equipped the C1000 with a large zipper compartment on the front which is perfect for storing documentation. A retaining rubber on the back ensures that the shoulder straps stay in place if the backpack is carried as a suitcase. All surfaces can be easily cleaned and disinfected. Various new exterior colors allow further universal application possibilities.

2-part PVC case handle

Safety strap for oxygen module

Proven magnet system

Truck tarpaulin, Original-CORDURA® fabric and 3MTM Scotchlite reflective strips

W 39 x H 46 x D 24 cm  
40 Liter

3,1 kg
