If you want special dimensions (different basin dimensions, lid cutouts with ring etching, supply and overflow spout, drain cock etc.), these can be made for you.

We would be happy to carry out installation work on new water baths:

- Drain cock for Dinkelberg water bath, 1/2 ball valve, incl. Mounting, for all models (DIALH392412)

- Floor drain cock for Dinkelberg water bath (PP), incl. Installation, recommended for water baths from 19 liters (DIALH39241v15)

- Lid hinges for attaching a one-part inclined cover, incl. mounting on a water bath (DISDOSF)
